

Phase 3 (Year 3/4) Term 6- European regional study

Topic Activities	Week 1 5 th June	Week 2 12 th June	Week 3 19 th June Physical Activity week Sports Day	Week 4 26 th June	Week 5 3 th July	Week 6 10 th July	Week 7 17 rd July
Mathematical Understanding	Addition and subtraction problems • solving problems using written methods	Addition and subtraction problems • solving problems using written methods	Decimals and fractions • Representing whole numbers and fractions • Unit and non-unit fractions	Decimals and fractions • Comparing and rounding decimals • Equivalences	Recapping multiplication tables Written method for multiplication and division Scaling	Perimeter, area and symmetry With links to topic	Perimeter, area and symmetry With links to topic
Understanding English, communication & languages – English, Sp&L, reading, writing	Newspaper report (capital of culture) HH+SQ: Local tornado	Newspaper report Innovation: changing the winning city to Rome. HH+SQ Innovation: Volcano eruption in Rome CC History and Geography	Newspaper report Invention: Make up your own city. HH+SQ: Invention	Journey Tales Jack and the Beanstalk Imitation: learning the features and structure of the genre.	Journey Tales Innovation bringing in Traditional Italian tales (Pinocchio) to innovate Jack and the Beanstalk. CC topic	Journey Tales Invention. Apply knowledge of genre to invent a journey tale.	
Understanding the arts – Dance, Music, Art & Drama	Singing with Lou (Hedgehogs and Squirrels) Play songs and rehearsals	Singing with Lou (Hedgehogs and Squirrels) Play songs and rehearsals	Singing with Lou (Hedgehogs and Squirrels) Play songs and rehearsals	Singing with Lou (Hedgehogs and Squirrels) Play songs and rehearsals	Singing with Lou (Hedgehogs and Squirrels) Play songs and rehearsals	Play songs and rehearsals	KS2 Summer performance
Understanding Physical development, health and wellbeing – PE,	Athletics WALT: Use an overarm throw	Athletics WALT: Practice for Sports Day Mr Meek	Athletics Sports Day Inter school football/netball	Athletics WALT: Introduce the long jump (running and standing) Mr Meek	Athletics WALT: Demonstrate quick reactions and rapid acceleration	Athletics WALT: Introduce the push throw (shot putt) Mr Meek	Athletics WALT: Recap all previously learned athletic skills (mini-olympics)

Scientific and technological understanding – science & Space		CC Maths Weather: measuring and recording temperature. How does it compare to Italy (Rome) how do we record it. Ongoing throughout the term.					
RE			Catholics: study into a particular approach to Christianity	The Vatican: the home of Vatican church (study into holy places) The Pope: who is her?			
ICT (We are software developers)	Presenting ideas to an audience	PowerPoint basics	PowerPoint Titles and fonts	PowerPoint Pictures and positioning	Research Quality of sources	Applying our knowledge of presentation to create an engaging presentation on an Italian City.	Class presentations CC Humanities/ core skills
Spanish/ Italian MFL	Learn the family members Morning activity- Classes to write/say the Date and weather in Italian (this is displayed in class) CC Science/Geography	Ask information About brother and sisters Morning activity- Classes to write/say the Date and weather in Italian (this is displayed in class) CC Science/Geography	Learn the names of household pets Morning activity- Classes to write/say the Date and weather in Italian (this is displayed in class) CC Science/Geography	Leisure activities Likes and dislikes Morning activity- Classes to write/say the Date and weather in Italian (this is displayed in class) CC Science/Geography		Morning activity- Classes to write/say the Date and weather in Italian (this is displayed in class) CC Science/Geography	Morning activity- Classes to write/say the Date and weather in Italian (this is displayed in class) CC Science/Geography
PSHE Core value skills	Speaking and Listening Select class I can statements Class greeters	Speaking and Listening Rules of listening design 'excellent learner' certificate	Speaking and Listening Joining in conversations	Speaking and Listening Importance of body language	Speaking and Listening Importance of body language	Speaking and Listening Discussion- Information cap activity (Was life in Rome better during the Roman Empire or now?)	Speaking and Listening Present a PowerPoint presentation CC Computing/ Humanities
Humanities History Geography	Where is Europe? What is Europe? Who lives here? What do you think we would see if we flew over Europe?	Weather, geography and key information. On our focus country Italy (specifically Rome).	What do we remember of the Romans or Angles and Saxons, or Vikings? What is their country like now? - Recall of Viking work - Could focus more on Romans	What is Italy like now? Question Miss Apuzzo (hot seating) Tourism: what is it? And why is it so important in Rome?	How technology changes cities? How has Rome changed to become a modern city.	Create a Power point presentation, encouraging people to Visit Italy. To include: - Geography - Climate - History - Modernism - Tourism	
Special Events & Visitors		Sustainable energy week (Eco)	Cyber anti bullying day Physical activity week Sports day!	Miss Apuzzo		School performance	Italian day

Homework	Locate continents on a world map.	Research how far away Italy is and roughly how much it would be to go there.		Investigate if you have anything from Italy in your home: Consider the food you eat!	Design a postcard to send to the focus country/region Write to their 'pen pal' in the focus country with a picture that shows something of importance to you.
