Academy

ANTI-BULLYING CHARTER

We at Four Acres Academy are working together to create a community where bullying is not tolerated.

We have all agreed that:

We will respect others.

We will be kind and supportive of others and their needs.

We will be positive towards each other, giving away free compliments and smiles.

We will tell an adult if we think we are being bullied.

We will tell an adult if we see someone else being bullied.

We will not tolerate bullying of any kind.

We understand The Power of One and how we can each make a difference.
